

COMPANY PROFILE

DP GROUP INVESTMENT AND DEVELOPMENT CO., LTD.

ABOUT US

DP Group is one of Vietnam's fastest growing Design & Build providing services to clients.

DESIGNED AND DELIVERED, FROM START TO FINISH

Our dedicated team will oversee every aspect of your home/store design and build your project from defining your requirements to delivering your idea and making it happen through to the day you operate/move in. We set up your plans to the best cost and assure that quality is never intact with our decisions to deliver you the best appealing outcome you look for.

With total fitout you only have to deal with a single supplier: Us.

We take care of everything: architecture design, interior design, space planning, fitout, furniture, mechanical and electrical elements, such as air conditioning as well as all construction requirements.

DELIVERING YOUR VISION

We will work with you to design and deliver your location where you can operate your business in more efficient and productive ways, being more productive by building your vision in the best methods that can be adhered. Your design objectives become our mission. You will find we work in partnership, collaboratively with you, offering practical advice as well as solutions. Our team is composed of numerous experts, who deliver the best services and outcomes in all industries. They understand the need for effective design and build that meets your needs.

JOINER'S WORKSHOP

The background image shows a sophisticated interior space, likely a showroom or workshop. It features a large, multi-tiered chandelier with many small lights. Below it, a long dining table is set with chairs. To the right, there is a large, light-colored sofa with several patterned cushions. The walls are decorated with large, abstract art pieces. The floor is made of large, light-colored tiles. The overall atmosphere is modern and elegant.
